How the week holds together

- **Ricardo doesn't cook.** The kitchen belongs to Julie and Lily — he does the school, the sport and the garden instead.
- **17:00–20:00 is Julie's.** Cluster feeding. Dinner, baths and bedtime belong to everyone else in that window.
- **Nights are split every night:** Ricardo 22:00–02:00, Julie 02:00–06:00.
- **Paid help is part of the week**, not a fallback: the domestic is in the house four days, the gardener twice.

Worth confirming

- `DAYS` Domestic Mon, Tue, Thu, Sat; gardener Tue and Fri — check the days against her own arrangement.
- `POOL` Assumes the pool stays with Ricardo, not the gardener's contract.
- `BINS` Refuse and recycling share a day in Welgemoed; confirm the street's day.
